

Savour the joys of Mid-Autumn Festival with new fruity snowskin mooncakes from The Fullerton Hotel Singapore and the much-anticipated return of The Fullerton 15 Treasures Premium Gift Set – a specially packaged mooncake gift cradled in an exquisite box.

Both lavish and refined, **The Fullerton 15 Treasures Premium Gift Set** consists of a luxuriously large baked mooncake with eight yolks snugly enveloped in a velvety white lotus seed paste. Encircling this mooncake in an elegantly designed gift box are 14 miniature mooncakes in the alternating shapes of a celestial hare, graceful butterfly and citron fruit, symbolizing vibrancy, prosperity and happiness respectively.

This specialty set of 15 mooncakes signifies the fullness of the moon at its peak on the 15th day of the eighth lunar month, represented by the eight succulent yolks in the large, six-inch wide central mooncake.

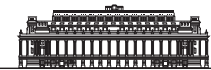

The Fullerton's perennial best-seller, The Fullerton Chocolate Baileys in Snowskin, returns to pamper your palate with divine decadence along with three brand new fruit flavours in our collection of snowskin creations.

Making their debut this year are **Blueberry**, **Green Apple** and **Cranberry** mooncakes wrapped in supple snowskin. With their innate health properties, this new range of mooncakes promises to enthrall the most zealous health enthusiasts.
