**THE FULLERTON HOTEL SINGAPORE'S ICONIC POST BAR
- AT CHANGI AIRPORT'S TERMINAL 3**

SINGAPORE, November 22, 2007: Sip on a little piece of history when you visit Singapore Changi Airport's newest terminal, where the iconic **Post Bar** of **The Fullerton Hotel Singapore** will open a sister outlet on 9 January 2008.

With trademark sleek designer furniture, including an underlit honey onyx bar, standing artichoke lamps and a soothing water feature above the bar, the concept and design of this stylish venue extends from the current popular Post Bar located at The Fullerton Hotel, Singapore's historic landmark in the financial and districts.

Situated in Terminal 3's most premier location, Crossroad, directly in front of the Departure Hall on Level 2, the new Post Bar enjoys the perfect location where travellers can meet and have a signature cocktail before catching their flights, while enjoying views of boutique retail outlets and the runway.

Open 24 hours, Post Bar's quality food and beverage may be enjoyed in relaxing comfort round the clock. A range of signature cocktails for which Post Bar is renowned, such as the zesty Mojito, beautifully-presented Caiprioska and full-bodied Caipirinha will be introduced to the world. To add to these beverages, the professional bartending team will also serve a wide variety of classic and modern martinis, aperitifs, spirits, fine wines, champagne and ice-cold draft beer. Original concoctions such as the Fullerton Hairpin and White Cosmopolitan, favourites with many Post Bar regulars, may also be enjoyed at the plush bar.

Highlights from the menu include Post Croissant filled with Scottish oak smoked salmon, Croque Monsieur with honey roasted ham and gruyere cheese on milk bread, Roasted Pumpkin Soup, Mesclun Salad and fresh fruit, just to name a few.

Just as the original Post Bar at The Fullerton Hotel - where the world's longest postal counter once stood - has impressed the chic clientele of trendy style-setters and corporate guests with her originality, perfectly mixed cocktails, warm service and stylish ambience, Post Bar at T3 is set to wow the world at the exclusive Terminal 3 and become an icon in her own right.

About Post Bar

A spirited venue of old-meets-new, Post Bar at The Fullerton Hotel Singapore lends an exceptional ambience for a memorable evening out. While it is certain to evoke comparisons with some of the world's most outstanding contemporary bars, Post Bar has a style which is distinctively its own. Once the General Post Office's transaction hall, its interior houses design elements that date back to 1928 which sit alongside acutely stylish fittings, creating a unique experience. By day, a quiet elegance envelops the bar and Music Room, with natural light filtering through large glass panels - the perfect setting for an event. In the evening, style-setters come together to enjoy the wide range of wines, martinis and signature cocktails to chillout beats.
